# TIER II Team Jersey Sponsorship Opportunity!

## Your sponsorship / donation is tax deductible!

The Hershey Junior Bears is a 501(c)3 non-profit organization.

We are looking to replace game jerseys and allowing individual teams to have their own team sponsor!

Here's how it works:

A team sponsorship will have their name/corporate logo either sublimated OR a patch sewn onto each player jersey. The location will be along the back of the lower fringe for greatest visibility!

- 20 jerseys will be ordered per team
- Teams will choose their sizes and numbering schema from 1 to 39.
- The jerseys will be assigned to "your" team for the next year(s) if you are the one who obtained the sponsorship. (Jerseys will remain the property of the Hershey Jr Bears)

Cost:

- \$3500
- This is for 20 home and 20 away jerseys. The budget is \$75 per jersey and \$500 for the cost of the artwork for patches or sublimation of logo onto each jersey.
